

# VALUEOPTIONS® Well Business Preferred

*Bringing your business to ours*

ValueOptions®, the leader in behavioral health and wellness solutions, is the only company focusing exclusively on strengthening organizational health and wellness while controlling health costs with Well Business Preferred and its products: Worksite Behavioral Management, Well Worker, Gold Standard EAP and High Performance Wellness.

## **ValueOptions® Worksite Behavioral Management**

Equips business leaders, managers, supervisors and human resource professionals with the tools for managing workplace challenges including intervention techniques, violence prevention, a drug-free environment and generational differences. Real-time assistance and direct management support, as well as workplace optimized health and performance are all readily accessible through the convenience and flexibility of the Internet or one-on-one via telephone.

## **ValueOptions® Well Worker**

Enhances business productivity with counseling to help employees identify problems, weigh options and design effective plans for dealing with stress, depression, substance abuse and many other issues. Better yet, ValueOptions® Well Worker counseling is conveniently available through the Internet, telephone or face-to-face. Help is available at anytime, 24 hours a day and 7 days a week.

## **ValueOptions® Gold Standard EAP**

Provides a forum for your employees and their families to access a seamless flow of employee assistance resources and services. When it comes to finding the right EAP services, the ValueOptions® Gold Standard EAP can offer the product flexibility and stability to help members get through behavioral health, lifestyle issues and results of illnesses that can get in the way of everyday productivity.

## **ValueOptions® High Performance Wellness**

Guards against declining productivity and profit loss with an integrated health and lifestyle coaching program not only about physical, but behavioral and mental health as well. This helps employees make positive lifestyle changes including smoking cessation, exercise and fitness choices and stress management, as well as address issues like domestic disputes, death of a loved one, community intimidation and more.
